5. [] I talked to Mr. Ralph Burr, Legislative Reference staff, OMB, in response to OMB's request for views on the State Department proposed draft bill "To provide for the establishment of an American Council for Private International Communications, Incorporated, to grant support to the activities of private American organizations engaged in the field of communication with foreign peoples." I told Mr. Burr that the Agency supports generally the proposed legislation. I also outlined for him a prime consideration that the legislation protects the private as opposed to governmental nature of the Radios. Mr. Burr thanked me for the call.
